EVEN BYTES

Our clients

Some our clients

We have 3 kind of clients. **Companies** using our applications, all kind of sizes, **multinational companies** requiring our consultancy and development services and **other IT firms** that need specialized expert resources.

...Testimonies

"In my world, Trust is the most valuable currency. Evenbytes has earned that in word and deed. Reliable, knowledgeable, professional and courteous."

Bruce Gandy (Hayward Industries)

"MetaDrive has allowed us to elevate our usage of Google Drive documents. We have more control and more capability to accomplish what we need as an organization. I love the MetaDrive team, they do good work and love continuous improvement as much as we do."

Aaron Reimschiissel (Entrata)
